 ***FRENCH COMPANY***

FINEST CAR CARE

Founded in 1968, GS27® is a genuine trailblazer in the car, motorbike and bicycle care products industry.

Its success and its position as the French market leader in car care products is primarily due to its acute sense of innovation and its continual attention to the needs of its customers.

All the GS27® products are recognized for their very high quality and avant-garde technology.

GS27® is not only selling its products on the French market, it is now developing worldwide.

With a presence on the five continents, it continues to move forward offering more than ever the Finest Car Care.

CARE TIPS

A beautifully clean, protected car... nothing could be easier with GS27!
GS27 gives you the keys to a perfectly maintained car in **5 steps**.

1. CLEANING

Cleaning your car removes all the dirt deposited on your vehicle. In particular, it removes the greasy, dull "road film" that covers the bodywork.

Must-have products: **GS27 shampoo and wheel cleaner.** You will also need a sponge and a brush for the wheels.

- Remove most of the dirt (dust, mud etc.) using a high-pressure cleaner.
- Wash the car with the shampoo and a sponge, from the top (roof) to the bottom (bottom of body and wheel arch).
- Rinse with plenty of water.
- Apply the wheel cleaner, brush and rinse. Wash the wheels one by one.

N.B.: avoid drying in sunlight, as this leaves marks.

Our tip: wipe the bodywork with a chamois leather.

BENEFITS

Ultra shine, anti-mark shampoos which give a brilliant shine.

2. RENOVATING

Restore the original appearance of your vehicle's bodywork, bumper, headlamps and paintwork etc., using a specific localized treatment. It removes surface defects such as micro-scratches, paintwork imperfections, dull film etc.

Must-have products: **Headlamp Restorer Kit, Expert Scratch Repair Kit, Paint Renovator, GS27 scratch remover**, depending on the surface to be repaired.

- After cleaning and drying your car, restore the parts of the vehicle that have lost their original transparency, color or shine, using the appropriate product.
- Remove scratches using the scratch remover and a microfiber cloth.

BENEFITS

A wide range of products to repair all the parts of your vehicle, from the tires to the paintwork and headlamps.

3. POLISH/WAX

Increase your vehicle's shine and protect the bodywork against external factors (UV rays, bird dirt, greasy film etc.) to make your car shine for longer.

Must-have products: a **GS27 polish** or wax and a microfiber cloth.

- Make sure the bodywork is completely clean and dry.
- Apply the polish/wax to the vehicle.
- Leave to dry.
- Wipe with a microfiber cloth until it shines.

BENEFITS

A highly resistant protective film that prolongs the shine of your vehicle thanks to its antistatic, water-repellent properties.

4. INTERIOR AND FINISH

Think about maintaining and cleaning the interior, windows and mirrors. It is important not to neglect this step, as it increases driving comfort and visibility.

Must-have products: a **plastics protectant, carpet & upholstery cleaner** and/or **leather cleaner & conditioner, glass cleaner** and a **microfiber cloth**.

- Clean the interior (vacuum up dust, grit etc.).
- Clean and protect the plastics on the dashboard, door trim etc.
- Clean the fabric and/or leather.
- Clean the windows, inside and out.

BENEFITS

Products enriched in stain-removing agents for faster, more effective action.

5. MAINTENANCE

Regular maintenance will prolong the protection and shine of your vehicle between washes.

Must-have products: the **Quick Wash & Wax**, a **microfiber cloth**, **plastic wipes**, **window wipes** and **leather wipes** (if necessary).

- Apply GS27® Quick Wash & Wax directly to the surfaces to be cleaned, working in small areas.
- Immediately wipe with a microfiber cloth.
- Clean the dashboard with the GS27® plastic wipes.
- If you have leather seats, clean them with the GS27® leather wipes.
- Clean the windows with GS27® window wipes.

BENEFITS

Practical, quick to use products, for easy, everyday car care.

ULTRA DEGREASING SHAMPOO

EFFORTLESSLY REMOVES DIRT

SUPER-POWERFUL FORMULA

GS27 Classics® Ultra Degreasing Shampoo effectively removes embedded dirt from all parts of your vehicle. Its concentrated formula thoroughly cleans while respecting every surface. It is also pleasant to use thanks to its cherry fragrance.

2l bottle - Cherry scent - CL130201 -

NEW

ULTRA SHINE TITANIUM® SHAMPOO

ELIMINATES DIRT & ROAD GRIME

ULTRA SHINE & LONG-LIFE PROTECTION

This new shampoo has a unique, innovative formula concentrated in Titanium® microparticles, which eliminates dirt and road grime from your bodywork. Result: an ultra shine and unparalleled cleanliness. Combined with the GS27® Paris Ultra Shine & Protection it provides high-performance protection for your car.

535ml Bottle - CL130133 -

CAR WASH & WAX

CLEANS EFFORTLESSLY

INTENSE SHINE

With GS27® Paris Car Wash & Wax, you can easily remove all dirt and grime that are ingrained on your bodywork. This product effectively cleans off the dull, greasy "road film" on your bodywork, giving a brilliant shine. It also helps to prolong the water-repellent effect obtained from a GS27 Classics® wax.

535ml Bottle - Green apple fragrance - EN130102 -

EVOLUTION+ WASH & WAX

BUCKET-FREE

AUTOMATIC SHAMPOO DILUTION + POWERFUL FOAM

GS27® Paris Evolution+ Wash & Wax has its own specific sprayer, so you can connect it directly to the water supply. No more bucket needed: the dilution is dosed automatically through the hose-end sprayer. Its powerful, rich foam is ultra-degreasing and leaves a shiny finish. Its grapefruit fragrance makes it enjoyable to use. With one bottle, you have enough for up to 15 uses.

750ml Bottle - Grapefruit fragrance - EN130141 -

INSECT REMOVER

CONCENTRATED FORMULA

EFFECTIVE ON ALL SURFACES

GS27® Paris Insect Remover removes all traces of insects from the different parts of your vehicle, in a single movement. For all exterior car surfaces (bodywork, windows, plastic etc.).

500ml Spray - CL120181 -

TITANIUM® GEL WHEEL CLEANER

POWERFUL CLEANER

HIGH-TECH PROTECTION

GS27® Paris Titanium® Gel Wheel Cleaner clings longer to the wheel surfaces, giving a more precise, deeper clean.

Thanks to its gel formula containing surfactants and Titanium®, it removes brake dust and stubborn road residue, leaving an intense shine and a protective coating on your wheels.

500ml Spray - EN120131 - 

WHEEL CLEANER GEL

DISSOLVES IRON PARTICLES

SUITABLE FOR ALL TYPES OF WHEEL RIMS

NEW

Our Wheel Cleaner Gel is a pH-balanced, deep-clean solution, safe to use on all rim types.

The solution changes colour when reacting to iron particles and dissolves them all at once (brake dust, etc.). Dirty and dull wheels caused by corrosion are history as your rims are brought back to their original look.

500ml Spray - EN120311 -   

Acid-Free WHEEL CLEANER

FAST ACTING FORMULA

SLOWS THE BUILD-UP OF DIRT

GS27® Paris Acid-Free Wheel Cleaner easily cleans off grime, dirt and brake dust on your wheels or plastic hub caps.

Its reinforced formula acts quickly, protecting the wheels and preventing dirt from clogging.

500ml Spray - US120111 - 

ENGINE CLEANER

PREVENTS CORROSION

ACID FREE

GS27® Paris Engine Cleaner cleans and dissolves grease on all areas and compartments of the engine, even the hardest areas to reach. It prevents oxidization after washing and is harmless for plastic and rubber. It is acid free and does not contain solvents.

500ml Spray - EX120101 - 

RESIN STAIN REMOVER

EASILY REMOVES RESIN STAINS

ALL TYPES OF PAINTWORK

GS27® Paris Resin Stain Remover very easily dissolves all conifer resin stains (pine, fir, larch, thuja, sequoia, cedar etc.). For all paintwork and also glass, chrome, plastic and polyester.

250ml Spray - EN120191 -  

TAR REMOVER

REMOVES TAR SPOTS FAST

EFFECTIVE AGAINST TREE SAP, ADHESIVE RESIDUES, FUEL STAINS & GREASE

With GS27® Paris Tar Remover, you can remove all tar, tree sap, adhesive residues, fuel stains and grease from your vehicle really fast. It can be used on all plastics, chrome and paintwork.

250ml Spray - EX120141 -  

ALL METAL POLISH

WORKS ON ALL METAL SURFACES

REMOVES OXIDIZATION & RESTORES SHINE

PREVENTS FUTURE CORROSION

GS27® Paris new All Metal Polish abrasive formula removes oxidization and surface rust and polishes all metal surfaces. It restores shine and leaves a long-lasting protective coating to prevent future corrosion.

250ml Bottle - CL140181 - 

TIRE SHINE

PREVENTS TIRE FADING & CRACKING

LONG-LASTING NEW TIRE SHINE

GS27® Paris Tire Shine effortlessly restores the tires of your car. The natural color of the rubber is restored and your tires look like new! It can be used on all types of tires.

400ml Aerosol - EX110101 - 

TIRE GLOSS INTENSE

EXTREME PROTECTION AND SHINE

EASY TO APPLY

GS27 Classics® Tire Gloss brings out the color of the rubber and restores the original appearance. Compatible with all types of tires, it protects them against wear and shines. Thanks to its silicone-based formula, it is long-lasting and resistant to weather conditions. Very easy to apply, it is sprayed directly onto the tire. Its integrated applicator allows the product to be spread evenly on the side of the tire. The GS27® advantage: easy and even application thanks to the integrated applicator.

400ml Aerosol - CL110102 - 

BODYWORK DECONTAMINATION KIT

DEEPLY DECONTAMINATES THE BODYWORK

REMOVES POLLUTION, BRAKE DUST, INDUSTRIAL FALLOUT, TREE SAP, ROAD TAR, LIGHT WATER SPOTS, ETC.

The combination of the decontamination rubber and its lubricant will ensure a ready-to-treat surface (Polishing, Wax, etc.)

- A specific lubricant
- A decontamination rubber 4.53" x 1.38" x 2.56" 16.91 fl.oz (500mle)

CL160271 -  

BUMPER RESTORER

RESTORES THAT NEW SHINE

PROTECTS AGAINST WEATHERING

GS27® Paris Bumper Restorer restores that new shine to bumpers, moldings, rear-view mirror housing, spoilers and any other unpainted plastic exterior part. It revives the color and leaves a thin satin protective coating. This product is suitable for all bumper and plastic colors.

400ml Aerosol - CL110111 - 

BLACK BUMPER RESTORER (BACK-TO-BLACK RESTORER)

RECOLORS AND REVIVES BLACK PLASTICS

GS27® Paris Black Bumper Restorer easily repairs and colors all the plastic parts of the vehicle. It ensures longer-lasting color and resists against weathering. This product has a synthetic resin base and does not contain solvents or silicone. It can be applied to all the black plastic parts of your car: PVC or ABS bumpers, spoilers, rear view mirrors, dashboard etc.

150g Tube - CL150122 - 

PAINT RENOVATOR

RESTORES THAT NEW SHINE

REMOVES OXIDIZATION

GS27® Paris Paint Renovator deeply deoxidizes the bodywork on your vehicle, removing the dull film accumulated over time, and restoring its original shine.

500ml Bottle - US140101 - 

ULTRA COMPOUND POLISH

ELIMINATES MICRO SCRATCHES

RESTORES ORIGINAL PAINT BRIGHTNESS

Thanks to its micro-abrasive technology, this new-generation polish easily and safely removes fine scratches and other defects (swirl marks, stains, etc.) from your bodywork.

500ml Bottle - EX140201 - 

RESTORATION HEAD

Yellowed or slightly cloudy headlamps: **HEADLIGHT CORRECTION KIT – MANUAL RESTORATION**

HEADLIGHT CORRECTION KIT

MANUAL RESTORATION

- > **SIMPLE RESTORATION WITHOUT TOOLS**
- > **FOR YELLOWED OR SLIGHTLY CLOUDY HEADLAMPS**

Thanks to the GS27® Technics Headlight Correction Kit, you can restore your headlights yourself.

Easy-to-use: no tools needed, all accessories are included!

No need to take the headlight apart and in two easy steps, your headlights will be transparent & shiny again.

US172020 -

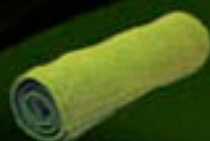

KIT COMPOSITION:

1 Dual-Purpose Restorer tube

1 sachet of GS27® Titanium® Ceramic wax

Microfiber cloth

6 abrasive pads
P1000+P2000
+P4000

1 roll of masking tape

DLIGHT

2 PRODUCTS FOR 2 RENOVATION STEPS

Cloudy or very tarnished headlamps: **HEADLAMP RESTORER KIT – MACHINE USE**

HEADLAMP RESTORER KIT

MACHINE USE

- > **PROTECTION & LASTING RESULTS**
- > **TOTAL RENOVATION OF OPAQUE OR TARNISHED LENSES**

Over time, plastic headlamps become yellowed and tarnished, making them less transparent. The consequence is a reduction of light intensity which means less visibility at night. This can be dangerous and can lead to vehicle inspection failure. Do not take risk! Thanks to GS27® Headlamp Restorer Kit, the original shine and transparency of the headlamps is very quickly and easily restored.

Other uses: varnished paintwork, plastic rear cabriolet windows, wheels and hubcaps, motorbike windshields, etc.

TE172001 -

KIT COMPOSITION:

1 Dual-Purpose Restorer tube

1 Electric Drill Adapter

1 sachet of GS27® Titanium® Ceramic wax

Foam pad

Microfiber cloth

8 sanding discs

1 roll of masking tape

DEEP SCRATCH REMOVER

ERASES DEEP SCRATCHES

GS27® Paris Deep Scratch Remover formula ensures the removal of deep scratches into the varnish. Its active ingredient erases the incisive edges of the scratch.

Its smoothing micro particles polish the edges of the scratch to reduce the angle of light reflection thus erasing the incision. Simple and efficient, GS27® Paris Deep Scratch Remover is applied with a simple microfiber cloth for a specific localized action.

100ml Jar - CA100122 - 

TITANIUM® SCRATCH REMOVER

REMOVES SURFACE SCRATCHES

PROTECTS THE TREATED SURFACE

GS27® Paris Titanium® Scratch Remover is a cream containing micro beads and microscopic lamellar crystals, ideal for all surface scratches (scrapes, scratches etc.).

Its unique Titanium®-based formula increases the efficiency, strengthens the protection of the treated areas and guarantees a mirror-like finish.

150g Tube - EN150141 - 

EXPERT SCRATCH REPAIR KIT

PROFESSIONAL RESULTS

FOR ALL TYPES OF PAINTS (EXCEPT MATT PAINTS)

With the GS27® Technics Expert Scratch Repair Kit, you'll erase scratches faster than with a traditional product.

> SUITABLE FOR WAXING, POLISHING, LEATHER CARE,

PLASTIC PROTECTANTS AND SCRATCH REMOVAL

The essential accessory for applying GS27® scratch remover or polish. Also ideal for interior surfaces such as plastic or leather. The GS27® microfibre applicator pad is designed with a soft surface to prevent tears and snags. It is round with an elastic band for a better grip.

OU180010 -

TEXTILE & LEATHER BRUSH

> DEEP CLEANSING

> GENTLE ON DELICATE SURFACES

The GS27® Textile & Leather Brush is the essential accessory for the impeccable cleaning of all textiles and leathers. Its 100% natural soft bristles respect even the most delicate surfaces: Alcantara, suede, nubuck, etc. It's ideal for cleaning your carpets and seats.

OU180160 -

ULTRA ABSORBENT MICROFIBRE

> DRIES THE BODYWORK IN ONE PASS

> VERY THICK

XXL SIZE
600X800

Removing water after rinsing has never been easier with the GS27® Extreme Drying Towel. A quick wipe over your car body absorbs drops of water than can leave streaks when drying. Its mesh surface makes it highly absorbent for effortless wiping.

OU180190 -

ABSOLUTE WASHING SPONGE

> 3 DIFFERENT SURFACES FOR A MULTI-PURPOSE WASH

> TRIPLE ACTION: WASHES, REMOVES INSECTS AND STUBBORN STAINS

Discover the new GS27® Total Wash Sponge, specially designed for your vehicle. It removes dirt without spreading it around. The mesh side makes it possible to remove dead insects and other debris effectively without scratching and its microfibre surface helps get rid of tough stains.

OU180150 -      

EXTREME ABSORBENT DRYING TOWEL

> AN EXTRA-LARGE MICROFIBER TOWEL FOR EFFORTLESS DRYING

> MADE WITH A SUPER SOFT WAFFLE WEAVE FOR MAXIMUM ABSORBENCY

**XXL
SIZE**
600x800mm

Drying has never been easier with the GS27® Extreme Drying Towel. A quick wipe over your car body absorbs drops of water that can leave water spots when drying. Its mesh surface makes it highly absorbent for effortless drying.

OU180170 -      

ALL SURFACE SOFT DOUBLE SIDED TOWEL

> A THICK, SOFT AND EXTRA-LARGE MICROFIBER TOWEL

> FOR EXTERIOR AND INTERIOR USE

**XXL
SIZE**
550 x 550mm

The GS27® Double-Sided Towel has 2 sides for multiple uses. The black side makes it possible to scrub with soap, wipe the car body or dust off the passenger compartment. The green side is perfect for applying polish or glass cleaner and allows you to use a GS27® product for the vehicle interior.

OU180180 -      

SCRATCH FREE TRIPLE ACTION WASH MITT

> TRIPLE ACTION: WASHES, REMOVES INSECTS AND STUBBORN STAINS

Clean your vehicle like a pro with the GS27® Triple Action Washing Mitt. The green side with short bristles makes it possible to clean gently and remove dirt without spreading it around. The mesh side allows you to remove dead insects and other debris effectively without scratching while its microfibre surface helps get rid of tough stains.

OU180140 -      

DETAILING BRUSH

> IDEAL FOR HARD TO REACH PLACES

> USE INDOOR & OUTDOOR

NATURAL
BRISTLES

The GS27® Detailing Brush is the perfect ally for cleaning the interior and exterior of all vehicles. With its comfortable handle and long bristles, it allows you to easily clean those delicate and hard-to-reach areas. The 100% natural bristles are highly resistant to chemicals and will not scratch surfaces.

OU180130 -      

DISINFECTING WIPES

ALL INTERIOR SURFACES

ELIMINATES 99,99% OF BACTERIA*

Cleans & disinfects the interior of your car for all interior surfaces of the vehicle. Eliminates 99.9% of bacteria, fungi and viruses.* Dermatologically tested. Effective against H1N1 and herpes simplex viruses according to European standard EN 14476 + A1. Virucidal efficacy covered on Coronavirus.

* Tested according to European standard EN 1276 and EN 1650.

40 WIPES PACK - CL180443 -

ALL-SURFACES CLEANER

DISINFECTS PLASTICS, FABRIC, LEATHER, ETC.

* Tested according to European standard EN 1276 and EN 1650.

500ml SPRAY - CL120441 -

DISINFECTANT

VENTILATION, AIR CONDITIONING & INTERIOR

DISINFECTS THE WHOLE INTERIOR

ELIMINATES UNPLEASANT SMELLS

VIRUCIDAL ACTION

THE DISINFECTANT GESTURE

EASY to use

The GS27® Ventilation, Air Conditioning and Interior Disinfectant cleans and disinfects* the entire air circuit. It destroys fungus* and bacteria*, disinfects the interior and eliminates unpleasant smells. Very easy to use, it comes with a single-use spray. Virucidal efficacy covered on Coronavirus.

1) VACUUM

For better results, remove the source of bad odours (dust, mud, etc.).

2) VENTILATE

With the blower set to maximum, the GS27® Ventilation, Air Conditioning and Interior Disinfectant will destroy odours and efficiently disinfect the whole interior.

3) DIFFUSE

Simply press the aerosol, close the door and the GS27® Ventilation, Air Conditioning and Interior Disinfectant will do its job within 15 minutes. Air well for about 10 minutes before using your vehicle.

Eliminate all odours, purify your air circuit and give your interior a pleasant fragrance.

An easy-to-use system that works throughout your car. The interior will feel wonderfully fresh and clean once again.

Monoï Perfume - 125 ml aerosol - CL160431 -
New Car Perfume - 125 ml aerosol - CL160421 -

* Tested according to EN 1276 and EN 1650 standards. List of bacteria tested: pseudomonas aeruginosa, escherichia coli, staphylococcus aureus, enterococcus hirae.

Cleaning cars without harming the environment

REDUCING THE ENVIRONMENTAL IMPACT

- > Locally sourced active materials*
- > Vegetable bottle with negative carbon balance and 100% recyclable
- > Formulas without SVHC nor CMR substance, or colouring agents
- > Allergen-free perfumes**
- > Labels made from recycled paper (99-100%)

UP TO 100% OF THE TOTAL INGREDIENTS ARE FROM NATURAL ORIGIN

- > Agri-sourced surfactant : bran, wheat straw, beetroot pulp, coconut...

RECYCLING OF ORGANIC WASTE UNUSED IN FOOD SYSTEM

- > Bottles made from sugar cane residues
- > Surfactants coming from French agriculture waste*

* Except Concentrated Shampoo and Leather Conditioner

** Guaranteed content < 0.01% (in accordance with rules n°648/2004)

GS27® Pure range has been thoroughly overhauled to reduce ever more the environmental impact : up to 100% of ingredients from natural origin, 100% vegetable and recyclable bottles, labels made from recycled paper (99-100%).

> These 7 products meet the essential needs in matter of car cleaning, polishing and care.

EXPRESS WASH & WAX

- > WASHES WITHOUT WATER
- > NATURAL LOTUS FRAGRANCE
- > 99% NATURAL ORIGIN INGREDIENTS

Enriched in vegetable-bases ethanol and wax, it is the healthiest and most effective solution to clean, polish and protect your vehicle, without rinsing nor risk of scratching.

500 ML - EC120162 - 

PLASTIC CLEANER

- > REMOVES DUST AND SHINES
- > NATURAL LOTUS FRAGRANCE
- > 99% NATURAL ORIGIN INGREDIENTS

Its silicon-free formula cleans and removes dust from all plastics in your car (dashboard, doors...) but also from rubber and leatherette.

ADDITIVES

FORMULE 9000 PETROL — DIESEL COMPLETE ENGINE TREATMENT

PREVENTIVE ACTION

- ➔ Protects the power circuit against corrosion.
- ➔ Protects and lubricates the main parts.
- ➔ Improves combustion.

CURATIVE ACTION

- ➔ Cleans the entire power circuit.
- ➔ Restores the engine's power and performance.
- ➔ Reduces fuel consumption.
- ➔ Reduces exhaust emissions.

Lasts for up to 40,000 km (25,000 miles).

2x100ml Bottles

170311 - Diesel version

170321 - Petrol (Auto and Moto) version

OCTANE BOOSTER **PERFORMANCE +**

- ➔ Increases engine performance and prevents engine fouling
- ➔ Improves combustion
- ➔ Compatible with all petrol engines with or without catalytic converter

Use: One bottle treats up to 80L of petrol fuel.
Effective on all old and new generation petrol engines.

300ml Bottle - AD130150 -

LEAD SUBSTITUTE

- ➔ Stabilizes the petrol.
- ➔ Lubricates and protects the valves and the valve seats.
- ➔ Eases starting of the engine after an extended shutdown.

Use each time you fill up.
Compatible with all petrol engines designed to run on leaded fuel: cars, motor-bikes, farm vehicles, boats, lawnmowers, pumps etc.

250ml Bottle - EN330141 -

ADDITIVES

DIESEL & ESSENCE DETOX

PROFESSIONAL FORMULA

- Cleans injectors, valves and combustion chamber without disassembly.
- Eliminates soot and calamine at the origin of turbos seizure.
- Keeps the EGR valve free of dirt.
- Allows a fast and complete regeneration of the DPF.

Preferably to be renewed every 30.000km or at least once every 2 years. Effective on all old and new generation Diesel engines (HDI, TDCI, Common Rail, turbo).

WHITE GREASE

High performance

- > Water & heat resistant.
- > Super-gripping product: non-dripping formula.
- > Lubricates and reduces friction on moving parts.
- > Long-lasting anti-rust protection.

250ml Aerosol - TE110211 -

SILICONE LUBRICANT

Antifriction

- > Lubricates mechanical parts and prevents wear & tear.
- > Reduces friction, noises and squeaks.
- > Water-resistant.
- > Prevents rubber from drying & cracking.

250ml Aerosol - TE110231 -

HIGH-POWER PENETRATING OIL

Multi-use

- > Unjams rusty parts and unblocks mechanisms.
- > Deoxidizes and dispels humidity.
- > Protects against corrosion.
- > Lubricates & stops creaking.

250ml Aerosol - TE110221 -

EXPRESS START

High performance

- > Instant start
- > For all 2 or 4-stroke diesel or petrol engines
- > No risk to the engine
- > Allows quick and easy starting in all weather conditions

300ml Aerosol - TE110251 -

ANTI-RODENTS FOR VEHICLES

For vehicles

- > Repels all types of rodents (rats, squirrels, mice, martens, etc.)
- > Prevents nibbling of plastic and rubber engine parts
- > Immediate effect. Forms a long-lasting protective coating
- > Easy to apply to the engine and wheel arches

500ml Aerosol - TE110261 -

TIRE SEAL

Express

- > Instantly repairs and pumps up punctured tires.
- > For all tires dimensions, with or without inner tube.
- > Easy: no tools, no need to take the wheel apart.

500ml Aerosol - TE110201 -

SUPER POWERFUL DE-ICER

Fast action

- > Ultra effective - Instant action.
- > Quickly removes ice from windshields, windows and locks.
- > Immediate visibility for more security.
- > Reduces frost reformation.

750ml Sprayer - TE120421 - (F) (D)

MULTI-PURPOSE OIL

Anti-friction

- > Lubricates moving mechanisms
- > Reduces friction
- > Eliminates squeaking
- > Protects against corrosion

250ml Aerosol - TE110301 - (F) (D)

CONTACT CLEANER

Fast drying

- > Removes false contacts that cause some electrical failures
- > Removes grease and dirt
- > Removes dust and moisture
- > Protects against corrosion

250ml Aerosol - TE110291 - (F) (D)

LITHIUM GREASE

Multi purpose

- > Multi-functional and anti-wear: reduces friction between metal parts
- > Protects against rust and corrosion
- > Strong adhesion, does not drip
- > Resistant to pressure and extreme temperatures (-20 °C / + 140 °C)

150g Tube - TE150131 - (F) (D)

STOP RUST

Fast drying

- > Stops the proliferation of rust
- > Renovates and protects durably
- > Adheres perfectly to the surface
- > Forms a transparent varnish film

250ml Aerosol - TE110281 - (F) (D)

BRAKE CLEANER

High-powered

- > All surfaces & Fast drying
- > Eliminates all residues : brake dust, grease oil etc.
- > Can be used on all mechanical parts: starter, alternator, gas, pump, brake discs, drums, clutch discs etc.

600ml Aerosol - PR110351 - (F) (D)

METAL FILLER

> REPLACES TIN SOLDER

> EVENS OUT SURFACES

- Styrene-free polyester putty filled with aluminium powder that fills all types of holes and cracks
- Can be applied to all metals
- Very easy to apply
- Fast setting (5 min)
- Easy to sand once dry

250g - TE100101 -

UNIVERSAL FILLER

> COLD WELDS METALS

> FILLS HOLES AND DENTS

- Styrene-free polyester filler
- For repairing dents in the bodywork
- Can be applied in layers of any thickness without the risk of cracks
- Resistant up to 80°C
- Easy to apply (spatula supplied)
- Adheres perfectly to the treated surface
- Fast setting (5 min)
- Easy to sand once dry

500g - TE100111 -

POLYESTER FINISHING PUTTY

> FILLS DEFECTS

> PROVIDES A SMOOTH SURFACE

- White styrene-free finishing putty
- Can be applied over filler, reinforced resin or directly to metal
- Provides a smooth, non-porous surface that can be primed immediately
- Can also be used as a filler in any thickness, without risk of cracking
- Resistant up to 80°C
- Easy to apply (spatula included)
- Adheres perfectly to the treated surface
- Fast setting (5 min)
- Easy to sand once dry

250g - TE100121 -

BODY REPAIR KIT

> ADHERES TO ALL SURFACES

> GOOD MECHANICAL STRENGTH

- Repair kit containing fast-curing, styrene-free polyester resin and glass fibre
- For repairing dents in the bodywork. Each layer is about 1 mm thick
- Resistant up to 80°C
- Easy to apply (spatula supplied)
- Adheres perfectly to the treated surface
- Fast setting (7 min)

250g - TE100141 -

GLASS FIBRE FILLER

> INCREASED RESISTANCE

> FILLS IN MAJOR DAMAGE

- Styrene-free, glass-fibre reinforced polyester filler for repairs of major defects on car bodies (dents, rust holes, etc.)
- Can also be used to reinforce rusty metal
- Can be applied in layers of any thickness without risk of cracks
- Easy to apply (spatula supplied)
- Adheres perfectly to the treated surface
- Fast setting (5 min)
- Easy to sand once dry

250g - TE100131 -

UNDERBODY PROTECTOR

> ANTI-GRAVEL, SOUNDPROOFING AND ANTI-CORROSION

> PROTECTS AGAINST SPLASHES

> CAN BE PAINTED OVER WITHOUT SANDING

> CAN ALSO BE USED ON THE BODYWORK

- Ideal for undercarriages, chassis, etc.
- Recommended for covering and soundproofing
- Excellent adhesion
- Durable elasticity
- Resistant to weathering, diluted acids and washing agents
- Can be painted over with any paint system
- Fast drying

500ml - TE110271 -

- Complies with the regulations on food contact.
- Mint fragrance.

5L - PR330171 / 20L - PR340171  

ENGINE CLEANER

Ready to use 5L

- Ultra degreasing
- Ideal for engine block and compartments
- Acid free
- Restores the shine of the new
- Prevents corrosion
- Safe for engine parts

5L - PR330221  

TAR & RESIN STAIN REMOVER

AEROSOL 600ml

- Dissolves traces of tar, tree sap, greases, oil, hydrocarbons etc.
- Effective even on **stubborn stains**.
- Fast-acting formula.
- For all surfaces: paints, windows, chromes, plastics etc.
- Safe on all paints
- Rinses easily with water
- Removes traces of tar, greases and sludges

600ml Aerosol - PR110171 

TAR REMOVER

Ready to use 5L

- Very Powerful
- Easy detachment
- Perfect for all surfaces
- Safe for all paints
- Rinses easily with water
- Removes traces of tar, greases and sludges

5L - PR330241  

INSECT REMOVER

Ready to use 5L

- Bodywork and windows
- Effortlessly removes all traces of insects
- Compatible with all surfaces
- Also effective on bird droppings
- Safe for paint
- Rinses easily with water

5L - PR330271  

WHEELS & TIRES

WHEEL & TIRE CLEANER

CONCENTRATED FORMULA 5L / 20L

- Ultra-degreasing.
- Removes stubborn marks (brake dust, etc.).
- Shiny finish.
- High-pressure automatic wash system, gantry, hand sprayer, hand cleaning.

5L - PR330141 / 20L - PR340141  

ACID-FREE

TIRE & TRIM GLOSS

SILICONE-FREE

- Perfect for showroom use & second-hand cars.
- Restores that "new" look to all tires, rubber and plastics.
- Protects from wear & tear.
- **Long-lasting** results.

600ml Aerosol - PR110101     

ALL-PURPOSE INTERIOR CLEANER

CONCENTRATED FORMULA 5L

- For complete interior care: dashboard, seats, carpet, mats, etc.
- Cleans and degreases.
- Revives the color of plastics and textiles.
- **Pleasantly fragranced.**
- Complies with the regulations on food contact.
- Can be used by hand or with a machine (injector / extractor, etc.).

5L - PR330281  

PLASTIC & TIRE DETAILER

Ready to use 5L

- Interior / Exterior
- Cleans and remove dust
- Revives tarnished plastic
- Shiny finish
- Antistatic protective coating to prevent the build-up of dirt

5L - PR330231  

SILICONE-FREE PLASTIC DETAILER

AEROSOL 600ml

- Cleans & dusts.
- Revives tarnished plastics.
- **Anti-static** properties: prevents dust from sticking.
- Maintains all interior hard surfaces: dashboard, trim, seat edges, rubber mats etc.
- Shiny Finish/Orange fragrance
- Satin Finish/ Fruity fragrance.

600ml Aerosol - Shiny finish - PR110191 / Satin finish - PR110141       

CARPET & UPHOLSTERY CLEANER

AEROSOL 600ml

- Stain-remover **powerful foam.**
- Revives colors.
- For all carpets, mats, seats etc.

600ml Aerosol - PR110121       

GLASS CLEANER

Ready to use formula 5L

- Cleans and degreases.
- Its strong wetting power removes all residue: bugs, bird dirt, road grease, nicotine, finger marks, etc.
- No reflective smears.

ULTRA PENETRATING OIL

Aerosol 500ml

MULTI-USE PRODUCT:

- Unjams.
- Unblock.
- Lubricates.
- Stops oxidation.
- Dispels humidity.
- Anti-corrosive.
- Stops creaking.
- Eases assembly/disassembly of mechanical parts.
- Eliminates rust.
- Eliminates grease, tar or adhesive marks.

500ml Aerosol - PR110321

BRAKE CLEANER

Aerosol 600ml

- Eliminates all residues: brake dust, grease, oil etc.
- High-powered degreaser.
- Easy cleaning of hard-to-reach areas thanks to the minijet diffuser.
- **Targeted spray.**
- Does not leave any residues and dries instantly.
- Without Chlorine or Fluorine solvents.
- Can be used on all mechanical parts: starter, alternator, gas pump brake discs, pads, drums, clutch discs etc.

600ml Aerosol - PR110351

PERFORMANCE CHAIN LUBE

Aerosol 500ml

Specially designed for the **long-lasting lubrication** of all mechanisms:

- High grip.
- Water & heat resistant.
- Protects against corrosion.
- Increases the life of the treated parts.
- High penetrating properties to lubricate even the most difficult-to-reach parts.

For all types of chains. Industrial use: forklifts, transport chains.
Home use: motorbike, chainsaw, garage doors etc.

500ml Aerosol - PR110211

TELESCOPIC POLE

- **Aluminium** telescopic pole with water supply connector and flow speed adjuster.
- Adjustable length from 136 to 325 cm.
- Diameter 28/25/22 mm.

Pole - PR180110

RECTANGULAR BRUSH FOR TELESCOPIC POLE

- Rectangular brush used with the GS27 Pro telescopic pole.
- **Extra-soft** silk bristles.
- Protective rubber to prevent scratches on bodywork.

Brush - PR180120

WIDE ANGLE BRUSH FOR TELESCOPIC POLE

- Wide angle brush used with the GS27 Pro telescopic pole.
- Ideal to clean all high and difficult-to-reach parts (heavy goods, vehicle roofs, etc.).
- **Extra-soft** silk bristles.

Brush - PR180130

CYCLONE GUN

- Compressed-air cleaning gun.
- Rotation power: 1000 to 8000 tours / min.
- Air consumption: 80 to 160L/min, at 6.2 bar.
- 1L graduated tank.

Cyclone gun - PR700003

30 WIPES BOX

- Washable and reusable
- Seamless
- Multi purpose: auto, motorbike, home, workshop, etc.

Box - PR180140

CLEANING SPONGE 15x10x5cm

- Ideal for hand cleaning all vehicles.
- Synthetic polyester sponge 25kg/m³.

Sponge - PR180150

MICROFIBER 40x40cm

- Must-have accessory for the maintenance of vehicles.
- **Multi-use:** can be used on all interior surfaces (plastics, upholstery, leather etc.) and exterior surfaces (paint, windows, wheels etc.)
- Antistatic properties & absorbent.
- Specific weave to hold dust and dirt.

Microfiber - PR180180

PACK OF 6 MICROFIBERS 40x40cm

- Pack of 6 microfibers for a complete cleaning of the vehicles.
 - 2 blue microfiber cloths for **windows**.
 - 2 green **interior** multi-use microfiber cloths.
 - 2 yellow **exterior** multi-use microfiber cloths.

Roller - PR180190

NATURAL CHAMOIS LEATHER Indicative dimensions 59x38cm

- **High quality** leather cloth.
- Very absorbent. Soft and supple. Easy to wring out.
- 100% oil tanned.

Cloth - PR180170

SYNTHETIC CHAMOIS LEATHER 38x48cm

- Combines the properties of a microfiber cloth and the drying qualities of a chamois leather.
- Flexible and **very absorbent** (280% absorption capacity).
- 260g/m².

Cloth - PR180160

**GS27[®], CARE PRODUCTS SPECIALIST,
PRESENTS ITS
100%
MOTORBIKE RANGE!**

Helmet & Visor Cleaner

- > Anti-insect action
- > Long-lasting protection

Foaming formula for cleaning helmet and visor exteriors.

- Cuts through even the most stubborn dirt (insects etc.).
- Streak free on visors

The + GS27[®]: Long-lasting protection.

250ml aerosol - EN210151

Advanced Waterproofer Fabric & Leather

- > Protects against rain and stains
- > Jackets, trousers, gloves, boots, bags, etc.

Waterproofs and protects against stains all leathers and textiles:

- Protects against rain, snow, etc.
- Anti-stain: leaves a protective barrier on fabric and leather.

The + GS27[®]: Non-greasy, non-sticky, non-slip (saddle).

400ml aerosol - EN210132

Leather Balm

- > Cleans, nourishes and protects
- > Enhances colours

A cleaning, nourishing treatment for all types of leather (saddles, jackets, boots, gloves, bags etc.).

- Revives the colour of tarnished leather.
- Non-slip effect for use on saddles.
- Leaves a waterproof (anti-rain / anti-stain properties) and antistatic film.

The + GS27[®]: Practical format.

200ml bottle - EN240132

Rain Repellent

- > Disperses water on visors
- > Long-lasting effect

Instantly disperses rain water and snow from visors and windshields.

- Transforms the water into microbeads for fast dispersing effects.
- Improves visibility.

The + GS27®: Long-lasting effect.

250ml aerosol - EX210161 

Anti-fog Treatment Visor & Mask

- > Prevents fog
- > Improve the visibility for more safety on the road

Cleans the visor surface without any residue and prevents fog.

The + GS27®: Reasonable size to store under your seat.

250ml aerosol - EN210181     

MOTORCYCLE CARE

All Surfaces Ultra Cleaning Wipes

- > Easy cleaning and degreasing
- > Bring shine and protection
- > Pleasant perfume

Give an intense shine to all surfaces without any residue thanks to these extra-large wipes. They will:

- Clean and remove even the most stubborn dirt (insects, asphalt, tar, salt, and so on)
- Remove the grease on your frame, pedals, derailleurs, wheels and tires
- Provide long-lasting protection
- All-in-one product: degreaser, cleaner, bug remover, pollution protector, general polish.
- Compatible with all materials and paints (matt or shiny).
- No scratching, no silicone, no need to rinse.

The + GS27®: Very infused wipes for an effortless cleaning.

35 wipes pack - M0180160 

Ultra Wash

- > Ultra-degreasing shampoo
- > Compatible with all surfaces
- > Fast action

Deeply cleans and degreases the whole motorbike and motor scooter:

- **Powerful cleaner:** removes even the most stubborn marks (grease, sludge, mud, brake dust, etc.).
- **Practical:** spray directly onto all dirty surfaces.
- **Acid-free,** compatible with all materials: carbon fibre, titanium, aluminium, steel, chrome, rubber, plastic and painted surfaces.
- **Active foam:** spray, wait a minute and make the magic happen.

The + GS27®: Apple fragrance formula.

1L spray - EN220162     

EXISTS IN 5L

Instant wash & wax

- > No rinsing
- > Protects all surfaces

Cleans, protects and polishes the whole motorbike without using water.

- **Practical:** can be used on all surfaces (windshields, wheels, chrome, leather etc.).
- **Ideal for cleaning matt paintwork.**
- **Easy:** spray directly onto the area to be cleaned.
- **Quick:** cleans and shines your motorbike in record time.

The + GS27®: Streak-free formula

500ml spray - EN220161      

All-Surfaces Protective Cleaner

- > Removes encrusted dirt
- > Long-lasting shine

2-in-1 product: very effective against stubborn marks and protects the motorbike from external stresses.

- **Practical:** spray directly onto all surfaces.
- **Very efficient:** removes encrusted dirt (tar, resin, grease, oil, insects, etc.).
- **Protects all surfaces:** limits dirt and protects against corrosion.
- **Anti-UV film.**

The + GS27®: Long-lasting effect: leaves a protective film.

300ml aerosol - EN210162  

Wheel Cleaner

- > Acid-free formula
- > Shines and protects

Effectively removes all dirt and brake dust residue from the wheels.

Compatible with all types of wheels (aluminium, painted, varnished etc.).

The + GS27®: Rinsing optional.

500ml spray - EN220101      

All Metal Polish

- > Effective on all metals
- > Anti-corrosion protective agent

Deoxidises, renews and polishes all metal surfaces.

- Reinforced abrasive action to remove rust and deoxidise deep down
- Polishes and restores brand new shine
- Leaves an anti-corrosion and anti-oxidation protective film.

The + GS27®: Leaves a protective film on all your metal parts

200ml bottle - EN240102

Polish & Shine

- > Removes surface scratches and paintwork defects
- > Intense shine
- > Long-lasting protection

This 3 in 1 formula restores, removes micro-scratches and protects the paint of your motorcycle. Highly efficient, it:

- Eliminates surface scratches and paints defects (swirls, etc.) from all varnished surfaces
- Removes the dull film on oxidized paints
- Restores colors and guarantees a mirror-like shine to the bodywork

The + GS27®: intense shine and long lasting protection

200ml bottle - EN240202

CHAIN CARE

High Tech Degreaser

- > High Performance action
- > Fast drying formula

Highly effective chain cleaner compatible with all motorbike, quad, karting chains, etc.

- Allows the maintenance of the chain's performance level.
- Compatible with all types of O-rings (O-ring, X-ring, Z-ring).
- Practical: 2 spray heads for optimal use, even in hard-to-reach areas

The + GS27®: ultra-fast drying and residue free.

500ml aerosol - EN210102

Dry Lube

- > Dry chain lubricant
- > Instant drying – no splashing

Clean chain lubrication thanks to its non-greasy, instant drying formula.

- **No splashing:** keeps the chain, wheel rim and back wheel clean.
- **Non-sticky:** does not retain dirt and makes cleaning easier.
- **Anti-corrosion protective film:** prolongs the life of the chain.
- **Water-repellent:** repels water and protects the chain in wet conditions (rain, mud).
- **Strong penetrating properties:** lubricates even the least accessible areas (axle, bearing etc.).

The + GS27®: Ultra-fast drying.

250ml aerosol - EN210172   / 500ml aerosol - EN210171      

Racing & Road Chain Lube

- > Anti-splash formula
- > Reduces friction for more power
- > Long-lasting performance

Ultra-adhesive lubricant specially designed to prevent splashing at high speed.

- **Water and salt resistant,** protects against rust.
- **Protects** and prolongs the life of the chain.
- **Strong penetrating properties** to lubricate even the least accessible areas (axle, bearing etc.).
- **Reduces friction** and increases power.
- O-Ring, X-Ring, Z-Ring compatible.

The + GS27®: Yellow coloured chain grease to highlight the lubricated areas and places where product needs to be reapplied.

250ml aerosol - EN210121      

Chain Lube Off Road

- > Protection in extreme conditions
- > Reduces friction for more power

Lubricant specially designed for off-road motorbike and quad chains in extreme conditions: water, sand, mud etc.

- Stops sand from sticking.
- **Water and salt resistant,** protects against rust.
- **Protects** and prolongs the life of the chain.
- **Strong penetrating properties** to lubricate even the least accessible areas (axle, bearing etc.).
- **Reduces friction** and increases power.

The + GS27®: White coloured chain grease to highlight the lubricated areas and places where product needs to be reapplied.

500ml aerosol - EN210131      

TECHNICAL PRODUCTS

Carburettor Cleaner

- > Ultra-degreasing
- > Removes deposits
- > Stabilises braking and improves acceleration

Degreases and removes deposits around and inside the carburettor:

- Degreases and dry cleans.
- Removes all encrusted deposits: grease, oil, dust, dirt, scale, etc.
- Powerful jet spray to remove built-up residue.
- No rinsing.
- Can be used with or without dismantling.

The + GS27®: Ultra-fast action.

750ml aerosol - M0110242 () (UK)

Air Filter Oil

- > Reinforces the efficiency of the air filter
- > Fast drying

Extra-adhesive oil, guarantees optimum engine performance:

- Increases the efficiency of the air filter for better engine protection.
- Picks up the finest dirt (dust, mud, sand) and stops it entering the engine.
- Stops water passing through the filter.
- Leaves a protective film on the air filter.
- Fast drying.
- Treats up to 30 air filters.

The + GS27®: Practical, red-coloured oil so that application can be clearly seen.

750ml aerosol - M0110252 () (UK)

Instant Tyre Sealant

- > Repairs and reinflates
- > No need to remove the tyre

Instantly repairs and pumps up punctured motorbike tyres.

- Practical: for all types of tyre, with or without inner tube.
- Easy: no tools, no need to take the wheel apart.
- Quick: repairs the tyre in 2 minutes flat.

The + GS27®: Ultra-fast action.

300ml aerosol - EN210221 (UK) (Spain) (Portugal) (Germany) (France) (Italy)

BIKE RANGE

CLEAN & PROTECT

Bike Shine & Shield

- > Removes encrusted dirt
- > Protects against dirt, UV rays and rust
- > No rinse

A complete, all-in-one product that cleans, shines and protects your bicycle without rinsing:

- Removes encrusted dirt: tar, resin, grease splashes, oil, dust, insects, traces of glue, etc.
- Practical: spray directly onto the area to be cleaned.
- Protects against corrosion and UV rays.
- Intense shine.

The + GS27®: leaves a protective shield that stops dirt building up, making next cleaning easier.

300ml aerosol - EN410251 ES410251

Extreme Bike Wash

- > Active foam cleaner
- > Use on all types of surfaces

Specially designed for easy cleaning and degreasing of the whole bike:

- Ready-to-use, easy application: spray and rinse.
- Universal, can be used on all parts of the bike: frame, deals, wheels, tires, etc.
- Compatible with all materials: carbon fiber, titanium, aluminum, steel, chrome, rubber, plastic and painted surfaces.
- Acid-free and anti-corrosive product.

The + GS27®: clean your bike in an instant with a sweet scent of apple.

TECHNICAL PRODUCTS

Tire Seal

- > Repairs and reinflates
- > All types of tires
- > No dismantling

Instantly repairs and reinflates Tubeless tires and punctured inner tubes.

- Easy to use: no tools or dismantling.
- Universal: comes with 2 attachments for Presta and Schrader valves.
- Pocket format: easily slipped into your pocket, pannier bag or fixed to the seat post.

The + GS27®: Fast repair in less than 90 seconds.

75ml aerosol - EN410221  

High-Tech Degreaser

- > High-performance formula
- > Instant result, no residue
- > Perfect for all drivetrains

Instantly degreases and cleans all bicycle chains, derailleur gears, cassettes, pedals and brake discs:

- Removes all encrusted dirt: grease, oil, dust, etc.
- Powerful jet spray to remove built-up residue.
- Fast drying.

The + GS27®: No residue after use.

500ml aerosol - EN410101   ES410101  

Absolute Chain Lubricant

- > Reduces friction, wear and tear
- > Non-sticky: prevents splashing

Specially designed to guarantee perfect lubrication of the chain and drivetrain in all weathers:

- Dry lubricant: dries instantly, prevents splashing.
- PTFE enriched formula: reduces friction and makes gear changing smoother.
- Waterproof: resists water and protects the chain in wet, muddy conditions.
- Extends the life of the chain: protects against wear and rust.

The + GS27®: Non-sticky, keeps the chain cleaner for longer.

250ml aerosol - EN410131  
ES410131  

Ultimate Wet Lube

- > Reduces friction, wear and tear
- > Protects against water and rust

Specially designed to ensure perfect, ultra-long lasting lubrication, even in extreme wet and muddy conditions:

- Ensures a clean, silent drivetrain.
- Reduces friction and makes gear changing smoother.
- Extends the life of the parts: protects against wear, rust and cold.

The + GS27®: Long-lasting lubrication.

125ml buret - EN420241  

Ultimate Dry Lube

- > Reduces friction, wear and tear
- > Stops dust sticking

Specially designed to ensure perfect lubrication in dry, dusty, very hot conditions:

- Leaves a protective film which stops dust and sand from sticking.
- Ensures a clean, silent drivetrain and reduces friction and makes gear changing smoother.
- Extends the life of the parts: protects against wear and heat.

The + GS27®: fast-drying, long-lasting lubrication.

125ml buret - EN420231  

ADDITIONAL PRODUCTS

Ultra Penetrating Oil

- > Multi-use product

- Unjams.
- Unblocks.
- Lubricates.
- Stops oxidation.

500ml aerosol - PR110321     

MULTI-CHANNEL & MULT

A PRESENCE AT MAJOR CONSUMER TRADE FAIRS

GS27® demonstrates the performance of its products at the major French Car, Motorcycle & Bicycle events and trade fairs (Automechanika Frankfurt, Automechanika Dubai, Eicma Milan, Sema, Apex, Eurobike) but also through its ambassa-dors who bring it national and international communication: federations, influencers, renowned brands, clubs and drivers.

POINT OF SALE WITH IMPACT

On the POS side, sales support tools adapted to the Car, Motorcycle & Bicycle worlds highlight your shelves and promote the brand: boxes, gondola end displays, screens with demonstration videos, goodies, POS animations, etc.

MEDIA COMMUNICATION

MEDIA PRESENCE

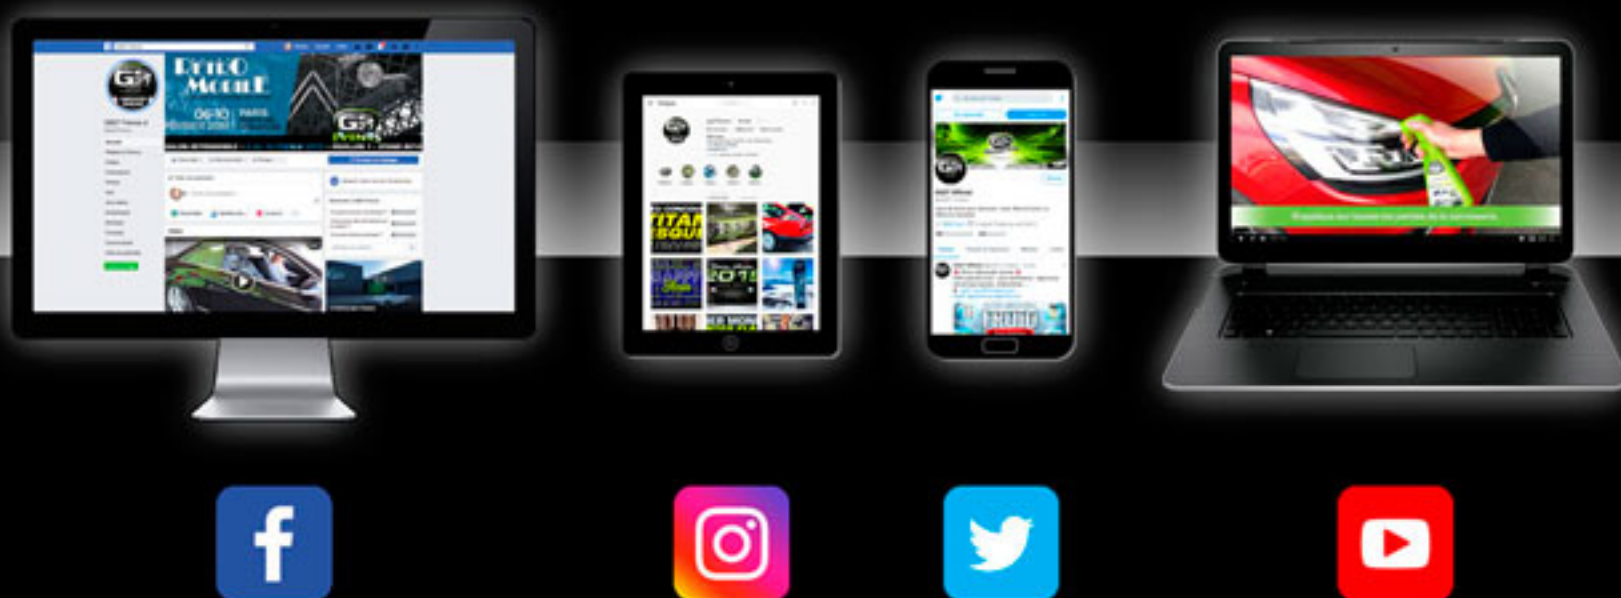

The brand is particularly active and has a strong presence in the various media but also in the field, always attentive to customers and prospects in order to meet their expectations.

A significant presence of the brand in French specialised press:

GS27® also ensures a day-to-day dynamic presence on social media:

Tutorials, new products or advice on the care and maintenance of vehicles alongside user testimonials and sports achievement videos.

Our goal? To develop brand awareness, increase traffic and facilitate point-of-sale rotations.

All these means of communication are constantly adapted to meet your needs!
With GS27®, choose a brand with a strong reputation that is constantly investing for better point-of-sale performance.
